March 16, 2016

INVITATION

Prof. Wenbin Zhu

School of Earth Sciences and Engineering,
Nanjing University , Nanjing 210046, P.R.China

Dear Prof. Zhu,

The 2016 Annual Convention of the International Association for Gondwana Research (IAGR) and 13th International Symposium on Gondwana to Asia will be held in Trivandrum, India during November 18-22, 2016. The conference is organised by the University of Kerala. It is our great pleasure to inform you that your paper has been accepted for oral presentation and cordially invite you to attend this conference. We acknowledge the receipt of your abstract entitled '**Metamorphic zircon formation of Paleoproterozoic metasedimentary rocks in the Korla Complex, NW China: implications for the late Paleoproterozoic collisional orogenic event in the Tarim Craton.**

We look forward to your participation in this important international conference.

With kind regards,
Yours Sincerely,

(Dr. E. Shaji, Chairman, Organizing Committee)
